A LIGHTNING WARNING SYSTEM IS INSTALLED AT THIS LOCATION FOR YOUR SAFETY

The signal is activated by threatening weather. You will hear a repeating horn-siren-horn-siren audible warning and see a flashing light on top of the device. When the warning signal activates, all activities must be suspended and patrons must SEEK SHELTER IMMEDIATELY.

Once the threat of lightning has passed, you will hear an intermittent horn with brief pauses between each signal. The flashing light on top of the device also will turn off. This indicates that activities can resume.

This system is not fail proof. Take shelter immediately when lightning threatens even if a signal has not sounded.

A repeating horn-siren audible warning and flashing light indicates that lightning is in the area. SEEK SHELTER IMMEDIATELY!

REMEMBER:

An intermittent horn and no flashing light indicates that activities can resume.

Thank you for your cooperation.

* Fitness Station Acknowledgments
Special thanks to Edward-Elmhurst Healthcare for providing the funding and Fran Krumlauf for her assistance with the fitness station's project.

PARK RULES

- Athletic field permit is required for use of lined game fields.
- Park is open from sunrise to one hour after sunset except for scheduled lighted athletic fields and court activities. Lighted courts are available until 10:00 p.m.
- No alcohol.
- Dogs must be on leashes and owners must clean up after their pets. Also, no pets on the synthetic turf field.
- Please use recycling containers. ♻️
- All park use regulations apply. Violators will be subject to fine or suspension per Naperville Park District Conduct Ordinance.
- To report vandalism or rules violations, please contact Naperville Police at 630-420-6173.
- In the event of an emergency, call 911. Provide the 911 dispatcher with:
 1. Detailed information on the nature of the emergency.
 2. Park name.
 3. Field identification or park amenity location.
